3D SKIN REJUVENATION PACKAGE

3D Skin Rejuvenation takes a three-tiered approach to rejuvenating your skin from top to bottom. Consultation required.

Treatment 1: Limelight Facial and Photo Genesis are light based procedures which address problems at the skin's surface such as redness, freckled and sun damaged skin

Treatment 2: Laser Genesis utilizes a laser to soften fine lines and wrinkles, shrinks pores and decreases or eliminates redness found deeper in the skin. This treatment has also been proven to stimulate the creation of new collagen.

Treatment 3: Titan is the newest category of skin fitness. The Titan uses infrared light to heat tissue deep in the dermis.
